For more information, go to acurafinancialservices.com or call our customer service line. You may enroll online or by completing and mailing the form below. By completing and mailing the form below, you authorize American Honda Finance Corporation (AHFC) to withdraw funds by electronic transfer from the financial institution and account named for regularly scheduled payments ("EasyPay") due under the Retail Installment Contract/Motor Vehicle Lease Agreement between AHFC and the owner/lessee named in the contract/agreement. Your regularly scheduled payment will be automatically withdrawn on your due date even if additional payments are submitted during the same calendar month. *EasyPay* does not withdraw funds to pay incidental charges (property taxes, citations, etc.) in excess of your regularly scheduled payments. AHFC may discontinue *EasyPay* at any time without prior notice. You may elect to cancel your authorization at any time by notifying your financial institution verbally or in writing up to 2 business days before the scheduled payment, or via the *EasyPay* "Discontinue" option at www.acurafinancialservices.com/MyAccount, or contacting AHFC. The cancellation will stop your next scheduled payment as long as it is made 5 business days before that scheduled payment. These methods of cancellation (and other methods AHFC may make available) are the only ways that you can cancel this authorization. You agree that the payments authorized by you must comply with the terms of U.S. law. **ALLOW 3 TO 4 WEEKS FOR PROCESSING. Please continue to mail your payments until "DO NOT REMIT" appears on your payment coupon.**

Additional Information

Excess Principal Payments Making payments in excess of the Regular Payment Amount will have the effect of reducing your final payment or shortening the term of your loan. Payments in excess of the Regular Payment Amount will reduce principal and show as a credit to your next months payment.

Accounts Receivable Conversion By remitting a check for payment, you are authorizing AHFC to use the information on your check to make a one-time electronic debit from your account at the financial institution indicated on your check. This electronic debit will be for the exact amount of your check. In certain circumstances, such as for technical or processing reasons, we may process your payment as a check transaction. If an electronic debit is processed, the funds may be withdrawn from your account the same business day the payment is received, and your check will not be returned to your financial institution. If you do not want your check converted to an electronic debit, please call (800) 225-5155.

This monthly statement is provided as a courtesy to assist you in making payments. A payment is required even if you do not receive a statement. Failure to make payments when they are due constitutes a default and entitles us to assess a late charge, finance charge, and/or begin collection proceedings on your outstanding balance.

NOTICE ABOUT NEGATIVE CREDIT REPORTING: Federal Law requires us to advise you that we may report information about your account to the credit bureaus. Late payments, missed payments or other defaults on your account may be reflected in your credit report. As required by law, you are hereby notified that a negative credit report reflecting on your credit report record may be submitted to a credit reporting agency if you fail to fulfill the terms on your credit obligation.
