## Annual Pass Information

- Your annual pass is only valid during the year printed on the pass.
- Your pass is not valid until it is adhered to your windshield. **Apply it by affixing the entire adhesive surface to the outside lower corner on the driver's side of the windshield, ensuring the pass is entirely affixed to the surface. If your pass isn't properly glued to the windshield with its own adhesive, it can be confiscated and will not be replaced.**
- Your annual pass may be used on only one vehicle and cannot be transferred from one vehicle to another.
- Annual Passes and daily entrance tickets are required from March 1 to November 30.
- Your annual pass is valid for free entry to all Delaware State Park properties that charge a vehicle entry fee. Exceptions are the Brandywine Zoo at Wilmington State Parks and the ferry to Fort Delaware State Park.
- It is recommended to arrive early in the day or late in the afternoon during the summer due to higher visitation. Park entrance may be limited during peak periods.
- If your vehicle is sold or in an accident and you need a replacement pass, peel off all or a portion of your annual pass and bring it to a park office for your new pass. There is a \$5 administrative fee for this service.
- The purchase of a park entry pass or surf fishing permit does not guarantee access to Delaware State Parks property, programs or functions when the number of visitors is restricted due to a high volume of visitors at peak times, or other instances of restrictions to include, but not limited to: government restriction, state of emergency, strike, flood, fire, or unforeseen catastrophe.
- Requests for refunds on annual passes must be received within 30 days of purchase and decal must be in its original packaging.
