Product Details

Combining beauty and practicality, this electric fireplace is not only a heater, but a practical home decoration. Designed for wall mounting only, the wall mount fireplace is easy to install and uninstall, comes with a remote control and touch screen to help you control the heater more conveniently, with a wall mount bracket to make your installation easier. In addition to this, this fireplace features versatile operation. 3 flame colors, 3 fuel bed colors and variable flame brightness that can be set to your liking. The electric fireplace comes with imitation logs and crystals, similar to burning coals, creating the authentic feel and look of a traditional fireplace. From a dull glow to a full glow, allowing you to adjust the flame to the brightness you want to create a cozy ambiance.
