We definitely saw boxes of tile and one of hardware but we did not check quantity. Also Ian has not yet opened the cabinet boxes so we don't know if there is any errors or damage

Attached is what I requested for delivery on Wednesday.

The R means received, all items have been received, let me know what's not there.

p.s. I will correct you address

Hello – majority of tile was delivered to Wilmington on 3/18. The Hex tile has not been marked as Received, I'm still checking.

I'll schedule all to be delivered to you on the 30th (we get deliveries from Wilmington on Wednesdays) including hardware.
