Lloyd was pleasant to work with, start to finish. Communication was timely when initiated. His team had good attention to details, and he was very amenable to correct any mistakes made by his crew.

If you are looking for a reliable contractor Lloyd is the one. He upgraded my kitchen and I am extremely happy with the results. He was very patience and amenable to project changes. I look forward to having him work other projects for me.

This contractor was on time , pleasant and knowledgeable. We had a problem with our wood floor and he didn't leave until he fixed it . People like this are hard to come by in the world we live in today . Thank you Lloyd for a job well done .
