Wouldn't buy this product again

Product looked perfect in packaging, once out the tray where a candle is suppose to sit was totally crooked. My son and I checked 5 different ones both here in Prescott and Phoenix and they were all like that. Whomever you are buying these from needs to improve their quality control.

Loved these sconces

I was looking for something to go on the sides of a big canvas picture in my living room and saw these. They had the exact colors in them that were in my pillows on my couch. They are perfect and I've gotten a lot of compliments on them.
