1. FINANCE CHARGE AND PAYMENTS

- a. **How we will figure Finance Charge.** We will figure the Finance Charge on a daily basis at the Annual Percentage Rate on the unpaid part of the Amount Financed.
- b. **How we will apply payments.** We may apply each payment to the earned and unpaid part of the Finance Charge, to the unpaid part of the Amount Financed and to other amounts you owe under this contract in any order we choose.
- c. **How late payments or early payments change what you must pay.** We based the Finance Charge, Total of Payments, and Total Sale Price shown on the front on the assumption that you will make every payment on the day it is due. Your Finance Charge, Total of Payments, and Total Sale Price will be more if you pay late and less if you pay early. Changes may take the form of a larger or smaller final payment or, at our option, more or fewer payments of the same amount as your scheduled payment with a smaller final payment. We will send you a notice telling you about these changes before the final scheduled payment is due.
- d. **You may prepay.** You may prepay all or part of the unpaid part of the Amount Financed at any time without penalty. If you do so, you must pay the earned and unpaid part of the Finance Charge and all other amounts due up to the date of your payment.

2. YOUR OTHER PROMISES TO US

- a. **If the vehicle is damaged, destroyed, or missing.** You agree to pay us all you owe under this contract even if the vehicle is damaged, destroyed, or missing.
- b. **Using the vehicle.** You agree not to remove the vehicle from the U.S. or Canada, or to sell, rent, lease, or transfer any interest in the vehicle or this contract without our written permission. You agree not to expose the vehicle to misuse, seizure, confiscation, or involuntary transfer. If we pay any repair bills, storage bills, taxes, fines, or charges on the vehicle, to the extent permitted by law you agree to repay the amount when we ask for it.
- c. **Security Interest.**
You give us a security interest in:
 - The vehicle and all parts or goods put on it;
 - All money or goods received (proceeds) for the vehicle;
 - All insurance, maintenance, service, or other contracts we finance for you; and
 - All proceeds from insurance, maintenance, service, or other contracts we finance for you. This includes any refunds of premiums or charges from the contracts.

This secures payment of all you owe on this contract. It also secures your other agreements in this contract. You will make sure the title shows our security interest (lien) in the vehicle. You will not allow any other security interest to be placed on the title without our written permission.
- d. **Insurance you must have on the vehicle.**
You agree to have physical damage insurance covering loss of or damage to the vehicle for the term of this contract. The insurance must cover our entire interest in the vehicle as well as yours. If you do not have this insurance, we may, if we choose, buy physical damage insurance. If we decide to buy physical damage insurance, we will buy insurance that covers your interest and our interest in the vehicle. We will tell you the charge you must pay. The charge will be the premium of the insurance and a finance charge computed at the Annual Percentage Rate shown on the front of this contract or, at our option, the highest rate the law permits. If the vehicle is lost or damaged, you agree that we may use any insurance settlement to reduce what you owe or repair the vehicle.
- e. **What happens to returned insurance, maintenance, service, or other contract charges.** If we get a refund of insurance, maintenance, service, or other contract charges, you agree that we may subtract the refund from what you owe.

3. IF YOU PAY LATE OR BREAK YOUR OTHER PROMISES

- a. **You may owe late charges.** You will pay a late charge on each late payment as shown on the front. The term "heavy commercial motor vehicle" means any new or used motor vehicle, excluding a recreational vehicle, which is (i) a truck or truck tractor having a manufacturer's gross vehicular weight of thirteen thousand (13,000) pounds or more, or (ii) a semi-trailer or trailer designed for use in combination with a truck or truck tractor. Acceptance of a late payment or late charge does not excuse your late payment or mean that you may keep making late payments. If you pay late, we may also take the steps described below.
- b. **You may have to pay all you owe at once.** If you break your promises (default), we may demand that you pay all you owe on this contract at once. Default means:
 - You do not pay any payment on time;
 - You give false or misleading information on a credit application;
 - You start a proceeding in bankruptcy or one is started against you or your property; or
 - You break any agreements in this contract.

The amount you will owe will be the unpaid part of the Amount Financed plus the earned and unpaid part of the Finance Charge, any late charges, and any amounts due because you defaulted.
- c. **You may have to pay collection costs.** If you default and we have to go to court to recover the vehicle, you will pay the reasonable attorney's fees and court costs as the law permits. You will also pay any attorney's fees and court costs a court awards us.
- d. **We may take the vehicle from you.** If you default, we may take (repossess) the vehicle from you if we do so peacefully and the law allows it. If your vehicle has an electronic tracking device, you agree that we may use the device to find the vehicle. If we take the vehicle, any accessories, equipment, and replacement parts will stay with the vehicle. If any personal items are in the vehicle, we may store them for you at your expense. If you do not ask for these items back, we may dispose of them as the law allows.

- e. **How you can get the vehicle back if we take it.** If we repossess the vehicle, you may get it back by paying the unpaid part of the Amount Financed plus the earned and unpaid part of the Finance Charge, any late charges, and any other amounts lawfully under the contract (redeem). Your right to redeem ends when we sell the vehicle. We will tell you how much to pay to redeem.
If we repossess the vehicle, we may, at our option, allow you to get the vehicle back before we sell it by paying all past due payments, late charges, and any other amounts due because you defaulted (reinstate). We will tell you if you may reinstate and how much to pay if you may.
If you are in default for more than 15 days when we take the vehicle, the amount you must pay to redeem or reinstate will also include the expenses of taking the vehicle, holding it, and preparing it for sale.
- f. **We will sell the vehicle if you do not get it back.** If you do not redeem, or, at our option, reinstate, we will sell the vehicle. We will send you a written notice of sale before selling the vehicle.
We will apply the money from the sale, less allowed expenses, to the amount you owe. Allowed expenses are expenses we pay as a direct result of taking the vehicle, holding it, preparing it for sale, and selling it, as the law allows. Reasonable attorney fees and court costs the law permits are also allowed expenses. If any money is left (surplus), we will pay it to you unless the law requires us to pay it to someone else. If money from the sale is not enough to pay the amount you owe, you may have to pay the rest to us. If you do not pay this amount when we ask, we may charge you interest at a rate not exceeding the highest lawful until you pay.
- g. **What we may do about optional insurance, maintenance, service, or other contracts.** This contract may contain charges for optional insurance, maintenance, service, or other contracts. If we demand that you pay all you owe at once or we repossess the vehicle, you agree that we may claim benefits under these contracts and cancel them to obtain refunds of unearned charges to reduce what you owe or repair the vehicle. If the vehicle is a total loss because it is confiscated, damaged, or stolen, we may claim benefits under these contracts and cancel them to obtain refunds of unearned charges to reduce what you owe.
- h. **Summary Notice Regarding Prepayment, Rebate of Finance Charge and Reinstatement:** You may prepay all or part of the amount you owe under this contract without penalty. If you do so, you only have to pay the earned and unpaid part of the finance charge and all other amounts due up to the date of your payment. Unearned finance charges will not be rebated under this contract because there will never be any unearned finance charges to rebate. If you default and we repossess the vehicle, we may, at our option, allow you to get the vehicle back before we sell it by paying all past due payments, late charges, and expenses (reinstate).

1. FINANCE CHARGE AND PAYMENTS

- a. **How we will figure Finance Charge.** We will figure the Finance Charge on a daily basis at the Annual Percentage Rate on the unpaid part of the Amount Financed.
- b. **How we will apply payments.** We may apply each payment to the earned and unpaid part of the Finance Charge, to the unpaid part of the Amount Financed and to other amounts you owe under this contract in any order we choose.
- c. **How late payments or early payments change what you must pay.** We based the Finance Charge, Total of Payments, and Total Sale Price shown on the front on the assumption that you will make every payment on the day it is due. Your Finance Charge, Total of Payments, and Total Sale Price will be more if you pay late and less if you pay early. Changes may take the form of a larger or smaller final payment or, at our option, more or fewer payments of the same amount as your scheduled payment with a smaller final payment. We will send you a notice telling you about these changes before the final scheduled payment is due.
- d. **You may prepay.** You may prepay all or part of the unpaid part of the Amount Financed at any time without penalty. If you do so, you must pay the earned and unpaid part of the Finance Charge and all other amounts due up to the date of your payment.

2. YOUR OTHER PROMISES TO US

- a. **If the vehicle is damaged, destroyed, or missing.** You agree to pay us all you owe under this contract even if the vehicle is damaged, destroyed, or missing.
- b. **Using the vehicle.** You agree not to remove the vehicle from the U.S. or Canada, or to sell, rent, lease, or transfer any interest in the vehicle or this contract without our written permission. You agree not to expose the vehicle to misuse, seizure, confiscation, or involuntary transfer. If we pay any repair bills, storage bills, taxes, fines, or charges on the vehicle, to the extent permitted by law you agree to repay the amount when we ask for it.
- c. **Security Interest.**
You give us a security interest in:
 - The vehicle and all parts or goods put on it;
 - All money or goods received (proceeds) for the vehicle;
 - All insurance, maintenance, service, or other contracts we finance for you; and
 - All proceeds from insurance, maintenance, service, or other contracts we finance for you. This includes any refunds of premiums or charges from the contracts.
 This secures payment of all you owe on this contract. It also secures your other agreements in this contract. You will make sure the title shows our security interest (lien) in the vehicle. You will not allow any other security interest to be placed on the title without our written permission.
- d. **Insurance you must have on the vehicle.**
You agree to have physical damage insurance covering loss of or damage to the vehicle for the term of this contract. The insurance must cover our entire interest in the vehicle as well as yours. If you do not have this insurance, we may, if we choose, buy physical damage insurance. If we decide to buy physical damage insurance, we will buy insurance that covers your interest and our interest in the vehicle. We will tell you the charge you must pay. The charge will be the premium of the insurance and a finance charge computed at the Annual Percentage Rate shown on the front of this contract or, at our option, the highest rate the law permits. If the vehicle is lost or damaged, you agree that we may use any insurance settlement to reduce what you owe or repair the vehicle.
- e. **What happens to returned insurance, maintenance, service, or other contract charges.** If we get a refund of insurance, maintenance, service, or other contract charges, you agree that we may subtract the refund from what you owe.

3. IF YOU PAY LATE OR BREAK YOUR OTHER PROMISES

- a. **You may owe late charges.** You will pay a late charge on each late payment as shown on the front. The term "heavy commercial motor vehicle" means any new or used motor vehicle, excluding a recreational vehicle, which is (i) a truck or truck tractor having a manufacturer's gross vehicular weight of thirteen thousand (13,000) pounds or more, or (ii) a semi-trailer or trailer designed for use in combination with a truck or truck tractor. Acceptance of a late payment or late charge does not excuse your late payment or mean that you may keep making late payments. If you pay late, we may also take the steps described below.
- b. **You may have to pay all you owe at once.** If you break your promises (default), we may demand that you pay all you owe on this contract at once. Default means:
 - You do not pay any payment on time;
 - You give false or misleading information on a credit application;
 - You start a proceeding in bankruptcy or one is started against you or your property; or
 - You break any agreements in this contract.
 The amount you will owe will be the unpaid part of the Amount Financed plus the earned and unpaid part of the Finance Charge, any late charges, and any amounts due because you defaulted.
- c. **You may have to pay collection costs.** If you default and we have to go to court to recover the vehicle, you will pay the reasonable attorney's fees and court costs as the law permits. You will also pay any attorney's fees and court costs a court awards us.
- d. **We may take the vehicle from you.** If you default, we may take (repossess) the vehicle from you if we do so peacefully and the law allows it. If your vehicle has an electronic tracking device, you agree that we may use the device to find the vehicle. If we take the vehicle, any accessories, equipment, and replacement parts will stay with the vehicle. If any personal items are in the vehicle, we may store them for you at your expense. If you do not ask for these items back, we may dispose of them as the law allows.

- e. **How you can get the vehicle back if we take it.** If we repossess the vehicle, you may get it back by paying the unpaid part of the Amount Financed plus the earned and unpaid part of the Finance Charge, any late charges, and any other amounts lawfully due under the contract (redeem). Your right to redeem ends when we sell the vehicle. We will tell you how much to pay to redeem.
If we repossess the vehicle, we may, at our option, allow you to get the vehicle back before we sell it by paying all past due payments, late charges, and any other amounts due because you defaulted (reinstate). We will tell you if you may reinstate and how much to pay if you may.
If you are in default for more than 15 days when we take the vehicle, the amount you must pay to redeem or reinstate will also include the expenses of taking the vehicle, holding it, and preparing it for sale.
- f. **We will sell the vehicle if you do not get it back.** If you do not redeem, or, at our option, reinstate, we will sell the vehicle. We will send you a written notice of sale before selling the vehicle.
We will apply the money from the sale, less allowed expenses, to the amount you owe. Allowed expenses are expenses we pay as a direct result of taking the vehicle, holding it, preparing it for sale, and selling it, as the law allows. Reasonable attorney fees and court costs the law permits are also allowed expenses. If any money is left (surplus), we will pay it to you unless the law requires us to pay it to someone else. If money from the sale is not enough to pay the amount you owe, you may have to pay the rest to us. If you do not pay this amount when we ask, we may charge you interest at a rate not exceeding the highest lawful rate until you pay.
- g. **What we may do about optional insurance, maintenance, service, or other contracts.** This contract may contain charges for optional insurance, maintenance, service, or other contracts. If we demand that you pay all you owe at once or we repossess the vehicle, you agree that we may claim benefits under these contracts and cancel them to obtain refunds of unearned charges to reduce what you owe or repair the vehicle. If the vehicle is a total loss because it is confiscated, damaged, or stolen, we may claim benefits under these contracts and cancel them to obtain refunds of unearned charges to reduce what you owe.
- h. **Summary Notice Regarding Prepayment, Rebate of Finance Charge and Reinstatement:** You may prepay all or part of the amount you owe under this contract without penalty. If you do so, you only have to pay the earned and unpaid part of the finance charge and all other amounts due up to the date of your payment. Unearned finance charges will not be rebated under this contract because there will never be any unearned finance charges to rebate. If you default and we repossess the vehicle, we may, at our option, allow you to get the vehicle back before we sell it by paying all past due payments, late charges, and expenses (reinstate).

1. As used in this Order the term (a) "Dealer" shall mean the authorized dealer to whom this Order is addressed and who shall become a party hereto by its acceptance hereof (b) "Buyer" shall mean the party executing this Order as such on the face hereof, and (c) "Manufacturer" shall mean the Corporation that manufactured the vehicle or chassis, it being understood by Buyer and Dealer that Dealer is in no respect the agent of the Manufacturer, and that reference to the Manufacturer herein is for the purpose of explaining generally certain contractual relationships existing between Dealer, Owner and Manufacturer with respect to new motor vehicles.

Correspondingly, in the event of any such change by Manufacturer, Dealer shall have no obligation to Buyer to make the same or any similar change in any motor vehicle, chassis, accessories or parts thereof covered by this Order either before or subsequent to delivery thereof Buyer.

Costco Road Hazard Warranty

TO QUALIFY FOR THIS WARRANTY:

1. You must be the original purchaser of the tires.
2. You must have purchased the tires from Costco Wholesale.
3. You must present the original purchase receipt and tire to a Costco Wholesale Tire Center.

CONDITIONS OF THIS WARRANTY:

1. The Purchaser must rotate and balance their tires as outlined by the vehicle manufacturer.
2. The Purchaser must operate their tires at inflation pressures outlined by the vehicle manufacturer.
3. The Purchaser must keep all mechanical parts that effect tires in proper working condition.
4. The Purchaser will be required to sign a "Costco Wholesale Tire Adjustment Form".

WHAT IS COVERED:

1. "Road Hazard Failure" is defined as a tire that becomes unserviceable due to cuts, non-repairable punctures or impact damage. Costco Wholesale will repair tires with tread-face injuries in accordance with established RMA(Rubber Manufacturers Association) standards.
2. This warranty covers road hazard failures in Passenger, Performance and Light Truck tires purchased from Costco Wholesale.
3. This warranty is valid for either sixty(60) months from the date of purchase or when the tire reaches 2/32 of an inch or less in remaining tread depth, (whichever comes first).
4. This warranty provides credit based upon remaining usable tread at the time of failure due to road hazard.
5. "Usable Tread" is defined as the original tread depth of a tire less 2/32 of an inch (tread wear indicators).
6. Credit is determined by multiplying the useable remaining tread by the current price of the tire.
7. This warranty is a promise under certain conditions to give credit on a pro-rated basis towards the purchase of a new tire. This warranty does not imply that tires sold by Costco Wholesale meet certain specifications or cannot fail. This warranty does not replace or modify any original tire manufacturers warranty on material and workmanship.

WHAT IS NOT COVERED:

1. A tire that is damaged / failed due to vandalism.
2. A tire that is damaged / failed due to an accident.
3. Curb damage where other vehicle components were also damaged during impact.
4. A tire that is damaged / failed due to commercial use.
5. A tire that is damaged / failed due to racing.
6. A tire that is damaged / failed due to Off-Road use.
7. A tire that is damaged / failed due to snow chains or studs.
8. A tire that is damaged / failed due to rapid or irregular wear.
9. A tire that is damaged / failed due to wear from worn mechanical components on the vehicle.
10. Tires transferred from the vehicle on which they were originally installed.
11. Loss of time, inconvenience, loss of use of vehicle or consequential damage. Some states do not allow the exclusion or limitation of incidental or consequential damages, so the above limitations or exclusions may not apply.

TIRE CARE RECOMMENDATIONS:

1. Have the air pressure in your tires checked by a tire professional as least once a month. Serious injury may result from tire failure due to under inflation.
2. Always request that the inflation pressure in your tires be set to the tire or vehicle manufacturers specifications.
3. Do not overload your vehicle. Serious injury may result from overloading your vehicle.
4. Register your tires using the DOT (Department Of Transportation) card provided at the time of purchase.
5. Read and follow all tire maintenance requirements outlined in the Tire Manufacturers Warranty booklet provided at the time of purchase.
6. Always insist on an RMA (Rubber Manufacturers Association) approved two-piece tire repair if required.
7. Fix-a-flat products should not be used. These products void some manufacturer warranties. Costco will not perform tire repairs on tires where Fix-a-Flat has been used.
8. If you are purchasing less than four tires, mount the new tires on the rear of the vehicle.
9. It is recommended to have your lug nuts re-tightened 25 miles after your tires are serviced or replaced.
10. Request that your tire and rim assemblies are hand torqued with a calibrated torque wrench to the vehicle manufacturers specifications.
11. Have your tires inspected by a tire professional **at least once a year.**

ADDITIONAL NOTES

- * Follow the direction in your vehicle's owner's manual for rotation and rebalance. In the absence of direction in your vehicle's owner's manual, rotate and rebalance your tires every 7,500 MILES or 12,000 KM.
- * Tires inflated with nitrogen. Nitrogen stabilizes a tire's inflation pressure more efficiently than regular air. If needed, air and nitrogen may be mixed; return to any Costco for purge and refill to the proper nitrogen purity level.
- * Tire rotation patterns may be limited if a tread depth difference of more than 2/32nds of an inch is present between the front and rear tires of a vehicle.
- * Read and follow all tire maintenance requirements outlined in the Tire Manufacturers' Warranty booklet provided at the time of purchase by hard copy or by reference to the Manufacturer's website.

Costco Road Hazard Warranty

TO QUALIFY FOR THIS WARRANTY:

1. You must be the original purchaser of the tires.
2. You must have purchased the tires from Costco Wholesale.
3. You must present the original purchase receipt and tire to a Costco Wholesale Tire Center.

CONDITIONS OF THIS WARRANTY:

1. The Purchaser must rotate and balance their tires as outlined by the vehicle manufacturer.
2. The Purchaser must operate their tires at inflation pressures outlined by the vehicle manufacturer.
3. The Purchaser must keep all mechanical parts that effect tires in proper working condition.
4. The Purchaser will be required to sign a "Costco Wholesale Tire Adjustment Form".

WHAT IS COVERED:

1. "Road Hazard Failure" is defined as a tire that becomes unserviceable due to cuts, non-repairable punctures or impact damage. Costco Wholesale will repair tires with tread-face injuries in accordance with established RMA (Rubber Manufacturers Association) standards.
2. This warranty covers road hazard failures in Passenger, Performance and Light Truck tires purchased from Costco Wholesale.
3. This warranty is valid for either sixty(60) months from the date of purchase or when the tire reaches 2/32 of an inch or less in remaining tread depth. (whichever comes first).
4. This warranty provides credit based upon remaining usable tread at the time of failure due to road hazard.
5. "Usable Tread" is defined as the original tread depth of a tire less 2/32 of an inch (tread wear indicators).
6. Credit is determined by multiplying the useable remaining tread by the current price of the tire.
7. This warranty is a promise under certain conditions to give credit on a pro-rated basis towards the purchase of a new tire. This warranty does not imply that tires sold by Costco Wholesale meet certain specifications or cannot fail. This warranty does not replace or modify any original tire manufacturers warranty on material and workmanship.

WHAT IS NOT COVERED:

1. A tire that is damaged / failed due to vandalism.
2. A tire that is damaged / failed due to an accident.
3. Curb damage where other vehicle components were also damaged during impact.
4. A tire that is damaged / failed due to commercial use.
5. A tire that is damaged / failed due to racing.
6. A tire that is damaged / failed due to Off-Road use.
7. A tire that is damaged / failed due to snow chains or studs.
8. A tire that is damaged / failed due to rapid or irregular wear.
9. A tire that is damaged / failed due to wear from worn mechanical components on the vehicle.
10. Tires transferred from the vehicle on which they were originally installed.
11. Loss of time, inconvenience, loss of use of vehicle or consequential damage. Some states do not allow the exclusion or limitation of incidental or consequential damages, so the above limitations or exclusions may not apply.

TIRE CARE RECOMMENDATIONS:

1. *Have the air pressure in your tires checked by a tire professional as least once a month. Serious injury may result from tire failure due to under inflation.*
2. *Always request that the inflation pressure in your tires be set to the tire or vehicle manufacturers specifications.*
3. *Do not overload your vehicle. Serious injury may result from overloading your vehicle.*
4. *Register your tires using the DOT (Department Of Transportation) card provided at the time of purchase.*
5. *Read and follow all tire maintenance requirements outlined in the Tire Manufacturers Warranty booklet provided at the time of purchase.*
6. *Always insist on an RMA (Rubber Manufacturers Association) approved two-piece tire repair if required.*
7. *Fix-a-flat products should not be used. These products void some manufacturer warranties. Costco will not perform tire repairs on tires where Fix-a-Flat has been used.*
8. *If you are purchasing less than four tires, mount the new tires on the rear of the vehicle.*
9. *It is recommended to have your lug nuts re-tightened 25 miles after your tires are serviced or replaced.*
10. *Request that your tire and rim assemblies are hand torqued with a calibrated torque wrench to the vehicle manufacturers specifications.*
11. *Have your tires inspected by a tire professional at least once a year.*

NHTSA RECALL 20V-378

IMPORTANT SAFETY RECALL

THIS NOTICE APPLIES TO YOUR VEHICLE, VIN: YV4612RK9G2853001

Dear Michael Cheikin,

This notice is sent to you in accordance with the requirements of the National Traffic and Motor Vehicle Safety Act.

Volvo Car USA LLC (Volvo) on behalf of Volvo Car Group, has decided that a defect which relates to motor vehicle safety exists in certain model year 2007–2018 S60 Series, V60 Series, S80 Series, XC60, XC70 and V70 vehicles.

The reason for Recall R10029:

Volvo Cars investigations have identified a problem regarding the front seat belt fastening, mounted on the outboard side of the front seat. The front seat belt fastening cable, may under certain circumstances, suffer from wear and fatigue if repeatedly bent over the seat cushion. This could cause damage to the cable, which could result in reduced or no seat belt restraint function.

Until your vehicle has been repaired, we recommend that the driver and passenger secure that the seat belt fastening is in a vertical position, aligned with the backrest (see pictures), so that it will not be bent over the seat cushion when entering the seat. This will reduce the risk of damage of the seat belt fastening.

The seat belt lower fixing buckle rests in a position that is past the bolster of the seat

During entry, this "buckle" is permitted to fold over the lower cushion repeatedly

This can be avoided by placing the seatbelt as above before entry and exit

Seatbelt folded over onto the bottom of the seat

Ridgeville, SC 29472-7373

Recall action: R10029

The corrective action is to replace the front driver and passenger seat belt fastener with a new fastener, free of charge.

Unfortunately at this time, replacement parts are not available for this repair. Please be assured that Volvo is working to secure the needed replacement seat belt fastener as soon as possible. Estimated time for parts in stock is end of November, 2020. We will send you a second notification letter as soon as the new replacement fastener is available.

Please contact your authorized Volvo retailer to schedule an appointment after the end of November, 2020. This procedure will be completed at no cost and can take up to **one** hour to complete, however due to service scheduling your Volvo retailer may require your vehicle for a longer period.

If you no longer own the vehicle described in this letter, please help us to update our records by sending us the updated owner information. Please refer to our contact information in this letter.

Please contact:

If you have any questions, please contact your Volvo retailer. If your retailer is unable to answer your questions, please contact Volvo Customer Care Center:

Primary Payment Plans (for all payment plans, the first premium installment is due on the policy effective date)

- Annual (Plan A)** The entire premium is due in one installment. Discount applies unless option to pay via credit card.*

- Quarterly (Plan D)** The premium is split into four equal installments due in three month intervals.
- 9 Month (Plan E)** The premium is split into nine consecutive monthly installments.
- Monthly Auto-Pay (Plan G)** Twelve consecutive monthly premium installments; available **only** if enrolled in automatic payments.

***Payment Plan Discount**

For **personal auto policies**, a premium discount applies under the Annual payment plan if payment is made via cash, check, debit, one-time electronic funds transfer (EFT), or automatic payment. Payment via credit card is available if the policy is single-invoiced, but if the credit card option is selected the discount does not apply and the subsequent policy renewal premium will not reflect the discount, regardless of whether you pay by credit card, check or any other payment method. To change your payment plan to reflect the discount, contact your Agent or Customer Care to remove credit card as a payment option prior to renewal. Failure to pay in accordance with the stated payment plan terms will result in loss of the discount and an increase in the annual policy premium.
