

## CLINICAL TRIALS AND RESEARCH UPDATES

### *Anthromed Library*

List of recent articles on anthroposophic medicine and mistletoe research.

[www.AnthroMed.org/mistletoe](http://www.AnthroMed.org/mistletoe)

### *Believe Big*

See previous listing under Supporting Organizations for complete contact information. Believe Big also helps connect patients to current open clinical trials.

[www.BelieveBig.org](http://www.BelieveBig.org)

### *www.ClinicalTrials.gov*

Search a database of over 300,000 clinical trials in the U.S. and internationally. To find global clinical trials on mistletoe therapy in cancer care, fill out the search fields with:

Condition or Disease: cancer

Other Terms: mistletoe

Country: (leave blank)

Find detailed information about the Johns Hopkins trial by conducting the same search, but selecting “United States” from the “Country” list.

### *www.TheMistletoeBook.org*

Maintains a regularly updated list of leading mistletoe studies and case stories.

### *www.mistletoe-therapy.org/scientific-literature*

European resource. Maintains a comprehensive, regularly updated list of published laboratory findings and human clinical studies focused on mistletoe therapy.
