One probiotic won't fit them all either.

At Klaire Labs®, we understand different patients have different needs. And, those needs change over the course of their lives. So we developed the industry's most comprehensive line of probiotic formulations.

For 40 years, we've led in the development of pure, viable, hypoallergenic supplements guaranteed through independent testing. Klaire Labs® has everything you need for your patient's probiotic needs and a team ready to guide you in finding the right formula.

Klaire Labs® probiotics – because one formula does not fit all.
