## Motorized Pulse 2 HUB Information

### Pulse 2 HUB

Unlock the luxury of **automated shade control**.

Pulse 2 easily integrates with most automated smart home platforms allowing for full customized automation of your blinds & shades. Features include:

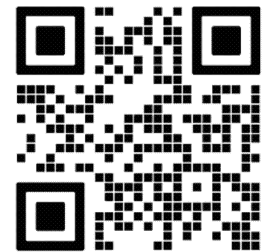

- Voice Activation
- Automated Timers & Schedules
- Compatibility with smart home platforms including Amazon Alexa, Apple HomeKit & Google Assistant.

### Quick Start Guide:

Please follow these steps **PRIOR** to your scheduled installation.

1. Ensure your mobile device is well charged.
2. Please ensure your phone's Operating System or Software is up to date.
3. If not already, install the "Homekit" app on your phone. (For iPhone Users ONLY).
4. Download the "Automate Pulse 2 Hub" app. Free download available on both the App Store and Google Play.
5. Create an account on the Automate Pulse 2 Hub app.
6. On the day of your appointment, connect your phone's Internet to a 2.4 Ghz or Ethernet (CAT 5) network. This network connection is necessary only for initial pairing. Once the hub configuration is complete, you can put the phone's Internet back on your 5G network.
7. Validate the quality of the WiFi signal.
